Subject: Appointment as Data Entry Intern - DCAM Question Bank

Dear Naveen,

We are pleased to appoint you as a Data Entry Intern with DCAM Classes for the DCAM Question Bank project.

Your date of joining will be 21 July 2026. Your primary responsibility will be to input assigned questions and related details into the DCAM Question Bank.

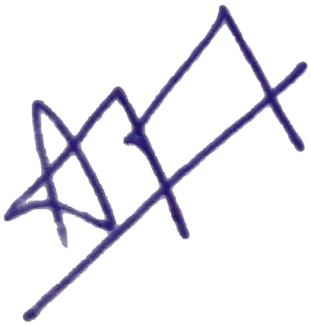

You are expected to maintain accuracy, completeness, proper formatting, and timely submission of all question entries assigned to you by DCAM Classes.

During the internship, you must follow DCAM Classes' instructions, maintain confidentiality of question-bank material and internal information, and handle all assigned data with care and professionalism.

This appointment is for internship and training purposes only. Continuation of the internship will be subject to your conduct, performance, and DCAM Classes' project requirements.

We welcome you to DCAM Classes and look forward to your contribution to the DCAM Question Bank project.
